Shawn/Mike,

As you know, EPA requested that Toeroek provide two copies of the non-CBI data provided in Sunnyside Gold Corporation's 104(e) Response regarding the Upper Animas Mining District Site (TO-069). For your record, please find attached an electronic copy of the transmittal letter accompanying the external hard drives that are being hand delivered to EPA this afternoon.

Please contact me with questions or comments.

Thank you,
